**POLICIES**

**Payments**
Please pay by credit card. If circumstances require you pay by other means, please contact Margot Harrington, Director of Auxiliary Programs, at 207-384-6199 or margot.harrington@berwickacademy.org.

**Waitlists**
When first-choice programs are not available upon application, a waitlist is available for each program. Participants are accepted from the waitlist based on open space and will be notified by telephone and/or email if and when space becomes available. We cannot guarantee any movement from the waitlist, and families enter the waitlist at their discretion.

**Aftercare Schedule & After School Programs**
If you have signed up for the five-day Aftercare plan for your child(ren) and would also like to sign up for After School Programs, please do so on CampBrain and notify Margot Harrington, Director of Auxiliary Programs to apply a credit to your school account based on the number of days your child has After School Programs.

**Late Registration**
Online registration will close on the following days for varying programs. If space is still available, late registration may be possible. Please contact Margot Harrington, Director of Auxiliary Programs, at 207-384-6199 or margot.harrington@berwickacademy.org to inquire. Registration is not complete until the Director has confirmed late registration with you. Child(ren) may not show up on the first day of the program unless they are registered.
- Gift Making: November 18
- Winter After School Programs & Saturday Morning Art: December 16
- Spring Break Camps: February 21

**Financial Assistance**
Payment plans and limited financial assistance are available upon request. Please reach out to Margot Harrington, Director of Auxiliary Programs at 207-384-6199 or margot.harrington@berwickacademy.org for more information.

**Cancellations/Withdrawals**
With email notification to the Director of Auxiliary Programs, Margot Harrington at margot.harrington@berwickacademy.org, families may withdraw a participant from a program under the following scenarios:

*Cancellations before the deadlines stated in the late registration section via email or phone:*
You will receive a refund/credit less 25% of the program fee. You can use a credit to sign up for other programs during the season or keep it on your account for future seasonal programming.

*Cancellations on or after the deadlines stated in the late registration section via email or phone:*
There will be no refunds/credits offered.

No refund or reduction in fees is possible for a child who arrives late, leaves early, or attends only part of a program because of vacation or illness, other than a hospital stay.

Berwick Academy reserves the right to cancel any program due to under enrollment or unforeseen circumstances. Participants will be given the choice of selecting another program or receiving a full refund of paid fees.

**Inclement Weather Policy**
We do our best to remain open and follow an indoor schedule during inclement weather. In the event that campus/venues must close prior to the start of after school programs and other auxiliary programs, we will notify you as soon as possible to make other arrangements. We will notify you if make-up days can be arranged.

**Nut “Aware” Campus**
We maintain a “nut aware” campus. We ask faculty, staff, and families to leave peanut and tree nut containing foods and products off campus to help ensure our nut allergic community’s safety.
LOWER SCHOOL WINTER PROGRAMS

ART AROUND THE WORLD
In this class, students explore art making around the world! They will learn about the art and crafts characteristic of different countries and cultures: from the paintings of France, to prints from Japan to sculptures of the Inuit. Then, students will create craft and art pieces in response to each culture’s art.

Instructor: Gayle Fitzpatrick
Grades 1-4
Wednesdays, Jan. 5-Feb. 25

BUDDING NATURALIST
NEW ACTIVITIES THIS TRIMESTER!!!
While soaring through the sky, climbing through the trees, or swimming through the water, our local wildlife are always on the hunt for food, busy raising babies and surviving in the wild! Learn what it takes for wild animals to survive in the wild and how we can help animal species found in our area. The Center for Wildlife’s team of Project WILD certified educators will be accompanied by the Center’s non-releasable wildlife ambassadors for an interactive presentation and STEAM nature-based activity as we bring the concepts of wildlife conservation to life! Each session will focus on a new and exciting topic of ecology, include hands-on activity time, and help aspiring naturalists learn about what they can do to help protect our environment. To keep things fresh and engaging, we will talk about different plant and animal species each class and spend time exploring both indoors and out!

Instructor: Center for Wildlife
Grades 1-4
Thursdays, Jan. 6-Feb. 24
$350

COOKING WITH KATE
We will jump right into the kitchen at the Katz Learning Lab with some basic and more advanced tasks through a variety of classes. Jr. chefs in training will learn to recognize and use tools and appliances in the kitchen, read recipes and labels, and kitchen safety and sanitation. They will have fun making a variety of basic international and classic regional American recipes. Participants will learn basic food math skills and gain an understanding of the historical significance of food in our global society. The favorite part of this class will be making recipes that participants are going to taste and learn the rest!

Instructor: Kate Dolan of SAGE

### WILD WINTER

Winter can often be the best time to search for signs of our wild friends as they gather food, build their winter homes, and try to survive the long winter months. Join the Center for Wildlife’s team of Project WILD certified educators as we explore the winter world of our local plants and animals. Meet the Center for Wildlife’s non-releasable wildlife ambassadors, learn about the plants and animal species that call Maine home in the winter, and learn about the important winter survival skills our wild animal species have evolved over thousands of years! This program will include both indoor and outdoor learning. We will spend time learning about specific animal species natural history, develop animal tracking and plant identification skills, and learn about what we can do to help wildlife species during the winter months. This program starts Feb. 1 to give students participating in the Gunstock Mountain Ski and Ride Program an opportunity to join!

Instructor: Center for Wildlife  
Grades 5-8  
Tuesdays, Feb. 1-Mar. 1

### WINTER PAINT PARTY

Each Wednesday afternoon, the Middle School Art Room will be open to students who want to get Artsy! Drawing, painting, bracelet making, collage, and more are all available for a little creative fun at the end of the school day. Students must sign in to Aftercare at dismissal (with normal Aftercare charge), spend some time doing homework until 3:45 p.m. and then they can head to the Art Room with Ms. Long until 5 p.m. Students can be picked up or take the late bus. This is open to all Middle School students, whether your child has a 3 day or 5 day Aftercare membership, or if they want to do a daily drop in. Please reach out to Margot Harrington if you have any questions.

### LEARN TO PLAY CHESS

Each Thursday afternoon join Upper School’s Finn Garside as he shares his chess talents! The goal of this program is for middle schoolers of all skill and experience levels to deepen their understanding of the game of chess. Whether you have never played a game before and are looking to learn how the pieces move or have some experience and want to learn more advanced openings, tactics, and endgames, this will be a friendly environment for anybody to learn and play the game of chess. Students must sign in to Aftercare at dismissal (with normal Aftercare charge), spend some time doing homework until 3:45 p.m. and then it is chess time until 5 p.m. Students can be picked up or take the late bus. This is open to all Middle School students, whether your child has a 3 day or 5 day Aftercare membership, or if they want to do a daily drop in.
